A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Limited Review Report on unaudited standalone financial results of UltraTech Cement Limited for the quarter ended 30 June 2022 pursuant to Regulation 33 and Regulation 52(4) read with Regulation 63 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of UltraTech Cement Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of UltraTech Cement Limited ("the Company") for the quarter ended 30 June 2022 ("the Statement"), in which are included the financial results of UltraTech Employees Welfare Trust ("Trust").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52(4) read with Regulation 63 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations'). Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the three months ended 31 March 2022 as reported in this Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52(4) read with Regulation 63 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to Note 2 of the Statement which refers to the orders dated 31 August 2016 (Penalty of Rs. 1,449.51 crores) and 19 January 2017 (Penalty of Rs. 68.30 crores) of the Competition Commission of India ('CCI') against which the Company had filed appeal. Upon the National Company Law Appellate Tribunal ("NCLAT") disallowing its appeal against the CCI order dated 31 August 2016, the Company has filed an appeal before the Hon'ble Supreme Court of India, which has by its order dated 5 October 2018, granted a stay against the NCLAT order. Consequently, the Company has deposited an amount of Rs. 144.95 crores equivalent to 10% of the penalty of Rs. 1,449.51 crores recorded as asset. The Company, backed by legal opinions, believes that it has a good case in both the matters basis which no provision has been recognised in the books of account. Our conclusion is not modified in respect of these matters.

UltraTech Cement Limited, an Aditya Birla Group company today announced its financial results for the quarter ended 30th June, 2022.

FINANCIALS

After a strong end to FY22, cement demand was impacted by overall inflationary trends and lower labour availability in May 2022. However, cement demand picked up in June 2022 on pre-monsoon construction activity.

Consolidated Net Sales was Rs. 15,007 crores vis-à-vis Rs. 11,698 crores over the corresponding period of the previous year. Profit before interest, depreciation and tax was Rs. 3,204 crores compared to Rs. 3,512 crores. Profit before tax was Rs. 2,293 crores and Profit after tax was Rs. 1,584 crores compared to Rs. 2,526 crores and Rs. 1,703 crores, respectively.

OPERATIONS

The Company achieved capacity utilisation of 83% as against 73% during Q1FY22. Domestic sales volume grew 19% on a year-on-year basis.

SUSTAINABILITY

Commitment to reducing carbon emissions is one of the Company's core beliefs. In line with its continuing endeavour towards enhancing environment conservation measures, the Company commenced 18 MW of WHRS capacity during the quarter. With this, the Company's total WHRS capacity stands augmented to 185 MW covering nearly ~16% of its current power needs. This is expected to increase to 250 MW by the end of FY23.

CAPITAL EXPENDITURE

The Company's existing expansion program is on track and estimated to be completed by the end of FY23. Work on further capex announced during the quarter has already commenced and commercial production from these new capacities is expected to go on stream in a phased manner by FY25.

Upon completion of the latest round of expansion, the Company's capacity will grow to 159.25 mtpa, reinforcing its position as the third largest cement company in the world, outside of China.

GOING FORWARD

While headwinds arising out of rising cost pressure could put some pressure on the profitability of cement companies, the strong momentum in housing and given the governments thrust on infrastructure and industrial development, the cement industry in India is set to see an upswing in demand in FY23.
